Better than ever – Leviton Timer Switches offer advanced features, superior accuracy and contemporary aesthetics. Our robust selection provides convenient timed control of lighting and motor loads in homes, offices, schools, libraries and other small commercial applications. An easy upgrade, automatic timers help reduce energy costs, improve security and add convenience. Homeowners can set lights to turn on and off for a lived-in look while they are away, or automate control of heat lamps, pool pumps or bathroom fans. Our versatile selection includes fully programmable and preset timers in popular styles and colors including a model that uses Bluetooth technology that can be programmed using a smartphone or tablet. All are backed by Leviton's long history of quality and reliability.

APPLICATIONS

- Residential Indoor/outdoor lighting, fans and pool filters
- Heat lamps, hot tubs, attic and exhaust fans
- Office lighting, ceiling fans and heaters

FEATURES AND BENEFITS

- Single pole or 3-way applications (most models)
- Replaces a standard wall switch (neutral required for select models)
- Soothing green LEDs
- Coordinates with Decora screwless wallplates

Decora® Digital Switch with Bluetooth® Technology

- 24-Hour Programmable and Countdown Timer in one
- Use the Decora Digital Dimmer and Timer app to program timer settings via smartphone or tablet
- Bluetooth compatibility provides local control and programming within a 30-foot* range
- Flexibility to program timed events weekdays, weekends or any combination of days at set or random times
- Astronomical clock, automatically set through connection with smart device, adjusts to local sunrise/sunset times

*30-ft Bluetooth range: Range may vary depending on specific conditions of installation, configuration of walls, obstacles and other factors.

- Automatic daylight saving time adjustment
- Countdown sleep timer can be set for up to 12 hours
- Rechargeable battery keeps time during temporary power outages
- Three colors in one box
- Color change kits available

Vizia +® 24-Hour Programmable Timer Switch For indoor/outdoor lighting, fans and pool filters

- Timer settings at a glance with large, back-lit display
- Flexibility to program weekdays, weekends or any combination of days
- Astronomical clock automatically adjusts to local sunrise/sunset times
- Automatic daylight savings time adjustment option
- Rechargeable battery keeps time during temporary power outages
- Three colors in one box
- Color change kits available
- VPT24-16Z can be used to comply with 2016 California Title 24, Part 6, Residential Outdoor Control Device Requirements

5-Button Decora Timer Switches For heat lamps, hot tubs, attic and exhaust fans (LTBxx)

- Improved 15-, 30-, or 60-minute timers, 12- and 2-hour options
- Four preset buttons and OFF
- Simple press and hold override timer function
- Flexibility to program timer to convert to any other timer interval
- Timer change kit available
- Three colors in one box
- Color change kits available

5-Button Incandescent Only Decora Timer Switches For indoor and outdoor lighting (LTTxx)

- 30- or 60-minute timers
- Four present buttons and OFF
- Simple press and hold override timer function
- Air gap switch for simple bulb replacement
